Description:

Project Title: 3D simplified Space Station

Project Description: Convert 2d reference images in to a 3D space station to be used for VR. Basic modeling and layout first. Materials, texturing and lighting to come.

Terms: Section 1 - time dependent on client consultation

Iteration 2 and post processing: rate to be determined based on complexity of project.

Quote - Terms:

The scope of the project and Invoices shall be on a per section basis. Let this proposal serve as draft, to be agreed upon and negotiated with client. Thank you for your consideration. We look forward to working with you on this project as well as other opportunities in the future.

Sincerely,

Mike Swanston
